

## INDEX

- Acland, T. D.**, the tuberculosis movement under war and after-war conditions, 2
- ADENITIS**, tuberculous, 3
- AFTER-CARE**, 10, 21  
— a national system of, 104  
— Association, 22
- AFTER-COLONIES**, 12
- AGRICULTURAL colonies**, 6  
— work and tuberculous soldiers, 105
- Allbutt, C.**, tuberculosis among combatants and war-workers, 42
- AMERICAN Association for the Study and Prevention of Tuberculosis**, 40
- AMERICA and tuberculosis**, 184
- ANTIFORMIN**, 62
- APPROVED Societies**, 21
- ARNETH's leucocyte count**, 112  
— observations, 67
- ARONSON's observations**, 19
- ASEPSO**, 35
- AURAL tuberculosis**, 87
- BACTEROL**, 90
- BANDAGE winder**, 89
- Bardswell, N. D.**, an open-air industrial experiment for tuberculous cases: the Hairmyres Colony, Lanarkshire, 169  
— a sanatorium market-garden colony, 119
- Barnes, H. H.**, observations of a tuberculous patient, 124
- BERGEL's theory**, 58
- Boobbyer, P.**, tuberculosis among combatants and war-workers, 42
- BOVINE tuberculosis**, 8
- BOVININE**, 90
- CALCIUM iodo-recinoleate**, 90
- CAMBRIDGESHIRE scheme**, 104  
— Tuberculosis Colony, 83
- CANADIAN Association for the Prevention of Tuberculosis**, 93
- CARE of advanced cases**, 101
- CHARTS and diagrams**, 36
- CHICAGO Tuberculosis Institute**, 191
- CHILDREN**, tuberculous, 8
- CLACTON experiment**, 120
- CLINICAL thermometry**, 85
- CLOTHING for sanatorium wear**, 3
- COD-LIVER oil substitute**, 35
- COMMISSION on tuberculosis problem**, 38
- CONTACTS**, examination of, 9
- COPPINS Green Colony**, 120
- Cox, G. L.**, the prevention and cure of tuberculosis, 165
- Grace-Calvert, G. A.**, the tuberculosis movement under war and after-war conditions, 12
- CUTANEOUS disorders**, 29
- DARTMOOR Sanatorium**, 172
- Delepine, S.**, a contribution to the study of delayed or "latent" tuberculous infection, 107
- DIAL**, 35
- DISABLED soldiers and sailors**, 4
- DISPENSARY**, tuberculosis, 9
- DOMICILIARY care of consumptives**, 9, 39, 85
- EAR**, tuberculosis of the, 87
- EDINBURGH system**, 7
- Ellis, H. A.**, the papillary cutaneous reaction in tuberculosis, 151  
— practical considerations on the conduct of work at a tuberculosis dispensary, 13
- ENLISTMENT of ex-patients**, 99
- ENVIRONMENT conditions**, 16
- EX-SANATORIUM patients**, 21
- FARM colonies**, 21
- FINE-LIGHTERS**, 89
- FIRE prevention**, 176
- FONTES' stain**, 63
- FRANCE**, tuberculous soldiers in, 100
- FRIENDLY Societies**, 21, 105
- FUTURE of the tuberculosis movement**, 37
- GRAM-POSITIVENESS**, 59
- Griffith, A. S.**, types of tubercle bacilli in human tuberculosis, 160
- GROSVENOR Sanatorium**, Kennington, Ashford, 127
- HAIRMYRES COLONY**, 120, 169
- HELIO THERAPY in Great Britain**, 143
- HENRY Phipps Institute**, 192
- HERMAN's solution**, 52

- NOTICES** of books, 27, 85, 129, 175
- OPEN-AIR** schools, 37
- ORGANIZATION** and administration, 102
- ORO-NASAL** inhaler, 137
- ORTHOPÆDICS**, 146
- OUTLOOK**, 37, 91, 139, 182
- PAPILLARY** cutaneous reaction, 151
- PERITONITIS**, tuberculous, 3
- PHAGOCYTOSIS**, 58
- PLEURAL** tuberculosis, morbid anatomy of, 130
- PNEUMOTHORAX**, induced, 44, 131
- POOR** Law Authorities, 101
- Infirmarys, 7
- POTTENGER** Sanatorium, 175
- PREPARATIONS** and appliances, 32, 89, 137, 179
- "PRO PATRIA,"** 27
- PULMONARY** tuberculosis, 28, 177
- tuberculosis, Arneth's count in, 112
- tuberculosis and induced pneumothorax, 131
- tuberculosis, leucocytes in, 66
- tuberculosis, morbid anatomy of, 130
- RESIDENTIAL** school sanatoria, 37
- ROST's** observations, 19
- ROYAL** Liverpool Country Hospital for Children, 25
- RUCK's** observations, 27
- ST. JOHN** Ambulance Brigade, 7
- SANATOGEN**, 137
- VON SCHRÖN** views, 56
- SEMPROLIN** preparations, 34
- SHAKESPEARE's** views, 95
- SLEEPING** porch, 32
- SOLDIERS**, tuberculous, 2, 37, 99, 105
- Sorley, J.**, the granules of the tubercle bacillus, 51
- SPENGLER's** classification, 54
- method, 51
- "SPLITTER"** granules, 57
- SPUTUM** cups, 36
- examination, 52
- Sutherland, H.**, the tuberculosis movement under war and after-war conditions, 7
- SYNOVITIS**, tuberculous, 3
- Taylor, F. E.**, and **Wilson, H.**, the value of Arneth's leucocyte count in pulmonary tuberculosis, 112
- TEMPERATURE** records, 84
- TERMINOLOGY**, 38
- Thompson, W. J.**, the tuberculosis movement under war and after-war conditions, 10
- Thomson, H. H.**, tuberculosis among combatants and war-workers, 44
- Thomson, StC.**, Shakespeare's references to consumption, climate, and fresh air, 95
- TOLAMINE**, 35
- TRIVALIN**, 35
- TUBERCLE** bacillus, 18
- bacillus, degenerative changes in, 57
- bacillus, granules of, 51
- bacilli, types of, 160
- TUBERCULIN**, 36, 50
- tests, 152

- TUBERCULOSIS, causation of, 129  
 — clinical treatise on, 175
